

## **Internship, Brunswick Real Estate, Helsinki**

**Job type:** Internship, full time

**Team:** Transactions

**Starting date:** Flexible

Are you analytical and aim for a career in the investment world? Would you like to measure impact and contribute to meaningful change? Then, this is for you. Welcome to Brunswick!

Brunswick Real Estate is a market leading investors and credit financing provider in the Nordic real estate market. The group builds independent, sustainable investment platforms, focused on identified investment strategies in close collaboration with Nordic and international investors and has repeatedly been awarded best in class within its areas by Preqin and Euromoney. The current combined AUM is EUR 5bn and the team comprises about 60 people in Stockholm, Helsinki and Copenhagen.

### **Our internship**

We provide a 10 to 20 week off-cycle spring and autumn internship where you are a natural team member from day one. You will work closely with both junior and senior team members in a high pace, professional investment and business development environment. Your tasks will vary and contribute directly to our business.

### **Your profile**

- You are studying MSc programme, or third year of the BSc programme with strong academic records
- You are aiming for a career in the investment world and enjoy crunching numbers whilst having an analytical and strategic mindset
- You have a profound interest for environmental and social sustainability
- You are proactive and a team player, most likely you don't shy off from drinks or meal with the team after work
- You are confident yet humble and understand the value of building good long term relationships

### **Want to apply?**

Send your application and CV to [jenni.helenius@brunswickrealestate.com](mailto:jenni.helenius@brunswickrealestate.com) and let us know why we should select you for our next internship! Last day to apply is **28<sup>th</sup> February 2021**.
