

Internship at leading real estate private equity company Niam

Do you want to join one of the leading investors in Nordic Real Estate? Niam is one of the largest private property owners in the Nordics with €4bn of assets under management. We pride ourselves on being the best partner to our tenants, investors, and the local community.

Niam Finland is currently looking for business driven and energetic Interns to join our small and dynamic team in the center of Helsinki for either the spring-summer or summer-fall programs 2023. Niam is its employees!

We offer you:

- A unique introduction to the real estate and private equity investment industry
- The opportunity to participate in landmark investments, developments and deals
- A professional, experienced and supportive working environment to aid your personal growth

Your work assignments will include:

- Preparing investment models, sensitivity analysis, related presentations and overall participation in acquisitions and due diligence processes
- Analyzing and reporting on real estate markets and investment opportunities
- Supporting the team in its investment and daily operations

You are the perfect candidate if you:

- Have passion and drive for real estate investing in a private equity set-up
- Have excellent analytical and critical thinking skills, attention to detail and the ability to handle complex problem solving with a creative mindset
- Are a driven team player with ability to work independently in a proactive manner
- Have graduated, or you are close to graduating, from relevant university level studies, e.g. real estate economics, finance, accounting, engineering or similar, with a strong academic track record
- Have good knowledge of PowerPoint, Word and Excel as well as excellent written and spoken skills in English

If you are looking for an interesting opportunity to learn from an experienced team of real estate investment professionals, don't hesitate to send your application our way! Apply by 9th February.
